21-26 | August Copenhagen, Denmark

ICOPA 2022

15th International Congress
of Parasitology

#ICOPAnhagen

Dear Colleagues,

The ICOPA 2022 congress is just around the corner, and we would like to kindly ask you to share with members of your society that it is still possible to [join us in Copenhagen or online!](#)

This year's edition of the ICOPA is like no other. For the first time, **the #ICOPAnhagen hybrid experience is accessible for everyone – anytime, anywhere.** While we are excited to welcome a high number of participants onsite in Copenhagen, we are pleased to also offer the opportunity to even more international participants to join us virtually, no matter where they are located. The ICOPA virtual platform is user friendly and will make the congress experience one to remember. What is more, participants will have access to our **scientific content on-demand for 3 months after the congress.**

In addition, we have now announced **last-minute registration discounts!** Thanks to the support from our societies, the ICOPA 2022 local [hosting societies DSP and SBSP](#), there are new exclusive discounts for **students and groups** to support them to join congress. The late registration fees for students for both in-person and virtual participation are now reverted to the regular registration rates and they start from **as little as €225 for online and €395 for on-site attendance.**

We would highly appreciate if you could share this message amongst your members and encourage them to join us between 21-26 August 2022, in Copenhagen or online.

Moreover, we encourage everyone to spread the news further in their networks, for example by using the materials below:

- Sharing the [scientific program](#) link
- Forwarding the latest ICOPA 2022 [Newsletter](#)

- Sharing this [Facebook post](#) & [Tweet](#)
- Invite them to [register](#)

We believe in our united efforts to make ICOPA 2022 a memorable congress!

Thank you for your continuous support,

Kind regards,

Pikka Jokelainen, President of SBSP, 1st Vice-President of WFP
Lars Hviid, President of DSP
and ICOPA 2022 Secretariat

August 21-26 | 2022
